

It is hard to believe that another year has come and gone, but 2010 was another great year for our charity! We hosted our 4th Annual Tackling TS Golf Classic at Elmbrook Golf Course in Traverse City and our 3<sup>rd</sup> Annual Racing for a Cure at Merritt Speedway in Lake City.

Mother Nature was not on our side during our 3rd Annual Race for a Cure at Merritt Speedway. However the looming clouds did not dampen the support and kindness of all the race fans!

With the help of Jackie Miron, Danielle and Cheyenne Gibson along with Rick and Rod Ancell, the day was fantastic. Lots of donations from all of the racers as well as local supporters allowed us to have a fantastic silent auction and a wonderful day of racing

Our 4th Annual Tacking TS Golf Classic could not have been better! The weather was perfect, the food was fantastic, and the support was overwhelming!

We had the great opportunity to have Dan Enos, head football coach from Central Michigan University, speak at our event. He gave a wonderful speech on what is important in life and where priorities should be. The importance of family is always apparent in our event and obviously coach Enos values it as well, as his entire family accompanied him to our event.

Thank you Enos Family for taking the time to attend our event and make it even more memorable.

Cole DenHarder has a great, safe place to sleep!! Thanks to all the wonderful and generous donations we were able to meet our goal and purchase Cole his safe new bed. This bed is low to the ground and completely enclosed with breathable material. This allows for him to stay secure in his bed for a good night's rest, and allows his parents to rest as well, knowing he won't be getting out of bed and possibly hurting

himself in the night. Isn't he absolutely adorable, and hopefully with a little luck in scheduling, we will be able to meet him and his wonderful family at our golf outing this year.

With additional funds we will be able to donate once again to the TS Alliance, where research has definitely taken some incredible steps in the last few years! This research has touched our son personally, and we look forward to giving a wonderful update this year at our golf outing.

As I write this letter I think how wonderfully supported our charity has been through its first few years. People from all over the state have either donated their time or their resources to help our dream become a reality. On behalf of the Tackling TS Board we look forward to once again seeing you at our golf outing and being able to share another wonderful day with friends and family.

Sincerely,

*Tim, Kate, Tyler, Lauren & Sarah Woer  
Joe, Jaime, Avery, & Drew Esper
